

TRACE 2009 CONFERENCE IN SLOVENIA
16.4. - 19.4. 2009 Otočec, Slovenia

Dear ATR members,

Annual ATR conference TRACE will be organized between 16th of April and 19th of April 2009 in Slovenia. You are all warmly welcome to participate with poster or oral presentation or just participate and enjoy interesting presentations.

Organizers from Slovenian Forestry Institute, Department for yield and silviculture – Jožica Gričar, Polona Hafner and Tom Levanič have already put a lot of efforts into preliminary preparation for, hopefully, successful organization of the meeting.

We have also prepared home page where you can find basic information about the meeting and accommodation. Home page is also the place where you can also fill the on-line forms (participant form, arrival / departure form and abstract form). Home page address is <http://petelin.gozdis.si/trace2009/> Please, visit the home page and enter information needed to organize the conference, accommodation and arrival / departure

Please note that there are very tight deadlines:

1. participant registration - **16th January 2009**
2. abstract submission – **31st January 2009**
3. your arrival / departure information – **28th February 2009**
4. A4 version of the poster presentation in PDF – **30th March 2009**
